SANEA THINKING ENERGY WORKSHOP

Thursday, 22 February 2018

07:00 – 16:00

Sandton Convention Centre, Johannesburg

ENERGY AND MOBILITY

1-Day Open Dialogue on the all forms of energy linked to mobility, the interconnection, support and infrastructure, and the socio-economic and environmental impact of mobility systems

The workshop will explore:

- All forms of energy are directly or indirectly linked to mobility
- Interconnection of people, services and activities
- Support services and infrastructure to enable mobility
- Social, economic and environmental impact of integrated energy – mobility systems

Presented as a side event of the Africa Energy Indaba
